

## Dr Sonia Anwar

MBBS MRMed FRANZCOG

### Gynaecologist

Dr Sonia Anwar is an Australian trained Obstetrician and Gynaecologist. Dr Anwar is pleased to provide gynaecology services for women in all areas with special interest in endometriosis, infertility and management of pelvic organ prolapse.

Dr Anwar is a highly skilled and competent physician, offering over 8 years of experience in all aspects of women's health. She underwent early medical education at a premier Institute in Pakistan. After arriving in Australia in 2008 she has worked at multiple tertiary institutes in Sydney and Newcastle which gave her a wide scope of experience and knowledge.

Dr Anwar completed her specialist qualification with the Royal Australian College of the Obstetricians and Gynaecologists in Queensland. She underwent training at Royal Brisbane and Women's Hospital, Bundaberg Base Hospital and Redcliffe Hospital. She is currently working as a specialist at Redcliffe Hospital. Dr Anwar has special interest in reproductive health and completed a Post Graduate degree in Reproductive Medicine from UNSW.

Sonia is passionate about women's health. She believes in good communication and to provide best possible evidence base care for her patients. As a woman she understands their needs, privacy and expectations. She is experienced, knowledgeable and very capable with wide scope of experience working with women of diverse cultural backgrounds. She can fluently speak Urdu, Hindi and Punjabi. Outside of work Sonia love spending time with her young family, gardening and long walks.
