Dr Peerbaccus is a dual trained gastroenterologist and internal medicine specialist. He graduated from the University of Cape Town-South Africa in 2005. He moved to New Zealand in 2007 where he completed his advanced training in Auckland and awarded his fellowship (FRACP) in 2018. He has received extensive training in general gastroenterology, inflammatory bowel disease, liver diseases, motility disorders and functional disorders. He relocated to North Brisbane in 2020 and consults privately at Peninsula Private Hospital where he provides a wide range of services in general gastroenterology, hepatology and endoscopic procedures.

### **His interests include:**

- Reflux disease
- Dyspepsia
- Dysphagia
- Microscopic colitis
- Inflammatory bowel disease
- Coeliac disease
- Irritable bowel syndrome
- Other functional disorders
- Liver disorders
- Bowel cancer screening
- Polypectomy
- Haemorrhoid banding
